

EQUIPMENT BREAKDOWN COVERAGE LETS YOU REST EASY

What is Equipment Breakdown coverage?

Equipment Breakdown coverage is:

Simple to Understand

Very Affordable

Easy to Add

It's a simple add-on coverage that fills the gaps in your homeowners insurance policy.

Most homeowners insurance policies don't cover the cost of repairing or replacing essential equipment in your home when it breaks down. But with Equipment Breakdown coverage, you can rest easy.

What does it cover? You may be covered for a loss caused by:

Electrical Breakdown

Top Causes:

- Power surge
- Equipment overheating
- Improper ventilation

Shorted well pump motor:
\$2,000 to fix without coverage

Mechanical Breakdown

Top Causes:

- Lack of lubrication
- Equipment overheating due to prolonged usage

Seized air conditioning compressor:
\$2,500 to fix without coverage

Pressure Systems Breakdown

Top Causes:

- Overpressure
- Overheating

Ruptured water heater:
\$1,100 to fix without coverage

Modern machines aren't made to last.

Within four years of manufacture:

36% of side-by-side refrigerators break down

25% of front-loading washing machines seize

20% of dishwashers break down

Thankfully, equipment breakdown covers:

Extra protection for peace of mind

Off-Premises Coverage

Equipment that travels with you is covered from equipment breakdown.

Green Coverage

Upgrade equipment with environmentally friendly alternatives.

Expedited Expense

Don't wait to call your repair technician! The cost to expedite necessary repairs is covered.

Refrigerated Property

Get reimbursed for perishable goods that spoiled in your freezer or refrigerator due to an equipment breakdown.

Newer appliances and electronics break down too.

Power surge damage is the leading cause of equipment breakdown and can affect all of your electrical equipment - new or well worn.

- Average cost: \$3,250 per claim
- Can damage multiple pieces of equipment at once
